

Ronnie E. DeMonia
Motor Carrier Consultant, MSC

<http://mscrecon.com/>

Ronnie DeMonia, MSC's Motor Carrier Consultant, has 13 years of experience serving as Safety Manager for several Alabama trucking companies; he specializes in DOT Compliance / Fleet Safety services.

During his commercial vehicle safety manager career, the Alabama trucking companies Ronnie DeMonia managed all consistently received the Department of Transportation's (DOT) highest safety scores – the Satisfactory rating – when subject to DOT compliance reviews (DOT audits). Based out the Birmingham, Alabama office of MSC, Ronnie DeMonia can respond quickly to clients in the southeastern states, such as AL, MS, TN, and GA; however, he offers motor carrier safety services through MSC to clients around the nation.

MSC's Alabama Motor Carrier Consultant Ronnie DeMonia is a former AL State Trooper who served as a Traffic Homicide Investigator in Central Alabama. After leaving the Alabama Department of Public Safety, DeMonia entered the professional field of trucking safety. He is qualified to create customized safety programs for fleets, audit drivers' logs, and evaluate fleets in regards to their CSA compliance and DOT regs compliance.

As a trucking safety manager, Ronnie DeMonia gained first-hand experience implementing and overseeing all aspects of Federal Motor Carrier Safety Regulations (FMCSR) compliance. Ronnie's safety management experience includes implementing a CSA program for two different motor carriers, hiring truck drivers, training commercial drivers for over-the-road, local delivery, and Haz Mat duties, auditing driver logbooks, ensuring hours of service (HOS) compliance, investigating crashes, managing FMCSR required medical and records keeping requirements, ensuring the proper maintenance of trucking fleets, and creating post- September 11 (9/11) hazmat security policies.

Ronnie has driven over 300,000 safe miles and can assist or evaluate carriers with their FMCSR compliance through his experience having operated under the Federal Motor Carrier Safety Regs as a commercial truck driver himself – also drawing from his experience as a former State Trooper enforcing motor carrier regulations, and a corporate safety manager supervising and administrating all aspects of FMCSR compliance. Ronnie DeMonia is a member of the Alabama Trucking Association's Safety and Maintenance Management Council (SMMC).
